| Services Rates | |
|----------------------------|---|
| Regular time: | Monday - Friday 8:00 a.m. - 5:00 p.m. Must be scheduled at least 72 hours prior to travel. Travel time and EH&S (Environmental Health & Safety) preparation time are considered working time. In the event of cancellation less than 72 hours prior to travel, an 8-hour cancellation fee will be charged at the regular rate per hour. The maximum number of hours for daily work will be determined according to the work standards in effect at the time the work is executed. |
| Overtime: | First 4 hours after 8 hours at regular time hourly rate, Monday through Friday, and first 8 hours on Saturday. |
| Double time: | Sundays and holidays, after 4 hours at overtime rate Monday through Friday, and after the first 8 hours on Saturday. |
| Emergency call-out: | Immediate attention and dispatch of service personnel to customer site for urgent unplanned services. |
| Minimum charge: | A minimum charge of 4 hours is applicable for all field services. |
| Service agreements: | We can provide a full spectrum of services customized for your site on a contract basis. For more information, contact your local ABB Inc. offices or email us at lvps.support@us.abb.com . |

Notes

1. Our employees will work within the local time zone regarding normal working hours.
2. All the above prices are in US dollars and do not include state, local or any other taxes (where applicable) and are subject to changes at any time without further notice.
3. Services requiring ABB International or third party contractor personnel will be quoted separately.
4. ABB standard terms and conditions apply.
5. These rates do not cover locations outside of the continental US.
