

In order to utilize the free LEAP EZ Audit process you will need to first register on the LEAP site.

1. Go to website

Link:<http://service.it.abb.com/fsm/Content/prospectsubscription.aspx>

2. Fill in all relevant information and hit Confirm at lower right corner

service.it.abb.com/fsm/Content/prospectsubscription.aspx

ABB Power and productivity
for a better world™

According to the environmental conditions and specific use of the circuit breaker in different installation types, LEAP EASY AUDIT gives an analysis developed on a purely theoretical and statistical basis in order to have an estimation of the circuit-breaker's health and to highlight the LEAP tool's potential. LEAP EASY AUDIT can be performed by the customer himself for free after registration.
